

What is a Reference List

A Reference list is a list of all resources that were used during the writing of an essay, project or assignment. A reference list is always listed in alphabetical order

Do not list under headings by type of resource and do not number as they are in alphabetical order.

Below is an example of how a book is arranged in a reference list

(Author) (Year) (Title in Italics) (Publisher)
King, S.F. (2009). *Science and time*. Longman. (Year of publication)
